IOWA DEPARTMENT OF CORRECTIONS - JUVENILE DETENTION MONITORING REPORT

Facility Name: Washington County Jail Date: January 29, 2026

Administrator: Gina Greiner Phone: 319-653-5902

A. ☒ This facility can adequately separate juvenile prisoners from adult prisoners when both are held in custody by placing only juveniles in cells, (**identified in the statement of facts**), which are separated from other cells or areas by solid doors and walls or are of sufficient distance to prohibit all but haphazard/incidental conversational and visual contact with adult prisoners or juveniles are under staff supervision. Pursuant to I.C. 356 and IAC 201-50.13, or IAC 201-51.11 this facility is found to be in substantial compliance with the above codes and is therefore certified to hold juveniles waived to the adult court.

B. ☐ This facility is not in compliance with I.C. 356 and IAC 201-50.13 and therefore may not hold juveniles.

Note to what extent separation of juvenile and adult offenders exists in the areas listed below.

Use the following code in describing the extent of separation:

1. Adult prisoners and juveniles can have physical contact with each other (no separation).
2. Adult prisoners and juveniles can see or hear each other (physical separation).
3. Conversation is possible although they cannot see each other (sight separation).
4. Adult prisoners and juveniles can see each other but no conversation is possible (sound separation).
5. Adult prisoners and juveniles cannot see or talk to each other (sight and sound separation).
6. Policy and procedures ensure compliance with the above code sections. (Yes or No) (Comment)

STATEMENT OF FACTS

Washington County has the ability to properly separate juveniles from adults.
