Re: Washington County Jail Inspection

Dear Chairman Seward,

The Washington County Jail was inspected on January 29, 2026, by the Iowa Department of Corrections, as required by Iowa Code Section 356, to ensure compliance with Chapter 201-50 of the Iowa Administrative Code. The inspection included an examination of staff training records, required documentation, and prisoner files.

Washington County Jail is a clean, well-maintained, and well-managed facility.

Documentation was complete readily available for inspection.

The policy and procedure manual was reviewed. The manual appears to be complete and well-written.

I wish to express my appreciation to Jail Administrator Gina Greiner, Sheriff Jared Schneider, and the entire staff of the Washington County Jail for their assistance and cooperation during the inspection.

Sincerely,
Delbert G. Longley
Chief Jail Inspector
